Let's Go Out to Eat with Laura Lion

**My name is Laura Lion and I LOVE
to go out to eat with my family.**

We love restaurants. All kinds of restaurants.

We go to the coffee shop on the corner for breakfast. My dad drinks a lot of coffee and I get to eat pancakes with lots of syrup.

**We like to go to Chinese restaurants
where we eat with chopsticks.**

I love fortune cookies.

Mexican food is soooooo good.

It's really, really hot and spicy! I like nachos a whole lot.

**Sometimes we go to a fast food restaurant.
We order at the counter and take our food to the
table on trays. Yes! I want fries with my burger!**

On my birthday we got all dressed up and went to a fancy restaurant. There was a white tablecloth and lots of silverware. It was so good.

When it was time for cake and ice cream - all the waiters gathered around me and sang Happy Birthday to me!

My grandma took me to a tea room.

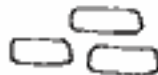

We had afternoon tea with little sandwiches and cakes. It was very ladylike and I had to remember to use my inside voice and nice manners.

Sometimes restaurants serve one really good thing like fried chicken, pizza or ice cream. Yum!

**My mom and I go out to lunch
when we go shopping.**

**We go to a little café in the store and have
fresh salads and sandwiches.**

One thing is certain - I love to eat out!

**There are so many restaurants to choose from
and so many yummy things to order off the
menu! It's fun to try new things, too!**
