

Make a Difference and
Volunteer!

CHILDREN'S EDUCATIONAL COLORING & ACTIVITY BOOK

**FOOD
DRIVE**

We Be Well!

CITY OF TUCSON
ARIZONA

Make a Difference and **Volunteer!**

This book belongs to

**My name is Woofie and I love to volunteer.
I've always liked to help – well everyone...people,
dogs, other animals, even our environment.
It makes you feel good to help others.**

I found out that there are lots of ways that we can all help others. But first you have to think about what you really care about and then go out and volunteer.

**I visit sick kids in the hospital.
I'm part of a special "Pooch Program".**

But there are lots of ways that you can volunteer.

You can run a food drive at school.

**Cans and boxes of food can go to food banks to fight hunger.
It's very important work.**

It's fun to help with recycling and help save the planet.

Collecting cans and bottles and bringing them to a recycling center helps the environment.

Do a beach clean-up day.

It not only removes junk from the beach, but it helps prevent plastic from entering the ocean and harming the fish.

Lots of groups need help planting trees to make our cities beautiful.

Did you know that trees also help clean the air?

Be crafty – make tray toppers or greeting cards or place mats to cheer up patients in nursing homes and hospitals.

Lots of animal shelters need help collecting and distributing toys and treats to dogs and cats.

And you can also help walk dogs and give both dogs and cats tummy rubs and cuddles.

It's fun to start a toy or book drive for holidays.

Get all your friends together and start collecting new toys and books for kids who might not have presents.

I'm so glad I'm able to volunteer!

**Helping others and doing good always makes you feel good, too.
Take it from me, Woofie, you'll be glad you volunteered!**

THE WORDS ARE ALL MIXED UP

Can you unscramble them?

HINT: The word begins with the word in black

1. eter _____
2. chaeb _____
3. ofdo _____
4. oclhos _____
